Recommendations

- **Lucy Veisblat**, PDG d'eCreation, en indépendant

"I have worked with Guillaume on several projects. On each occasion, he demonstrated his ability to understand client requirements and offer a solution, he provided outstanding technical services and he always met the deadlines."

- **Alexandre Lachmann**, Client, co-fondateur de RunMyProcess (depuis acquise par Fujitsu)

"Excellent work : a pleasure to work with him (fast learning, creative...)"
